Unlock your health potential with a program from LINDA using the exclusive GIMAP™ microbiome test. With this personalised test, you will uncover the root cause behind your persistent symptoms such as:

- IBS/SIBO
- eczema
- hormonal imbalances eg PCOS or low testosterone
- joint pain
- hay fever
- persistent headaches or migraines
- Crohn's Disease or IBD

Here's what one of our happy clients had to say:

“After working with Linda, who utilised the GIMAP™ test in my program, my painful periods and skin rashes have dramatically improved. My constant bloating and stomach pain has gone, and I feel more energised and in a better mood every day. This test and Linda's program were game changers in my health!”

To book using the voucher go to <https://lindadalmolin.com.au/> and select an initial appointment on a Saturday and bring the voucher with you on the day. This \$50.00 voucher is to be used against the price of the GIMAP™ test making the price \$445.00 down from \$495.00.

Take control of your well-being today - grab a voucher and begin your journey to better health!

*ONE voucher per client and to be used in conjunction with an initial and follow up appointment and valid until 31st March 2025
